# VALLEY FEVER SEMINAR SERIES

PRESENTS

## DAVID OJCIUS, PHD

*Inflammasome activation by the fungal pathogen, *Aspergillus fumigatus**

David obtained his B.S. and Ph.D. from UC Berkeley, and was a researcher at the Pasteur Institute and professor at the University of Paris before moving to UC Merced in 2004. He does research on interactions between pathogens and host cells, focusing on the role played by receptors of the innate immune system.

For more information please contact Erin Gaab ([egaab@ucmerced.edu](mailto:egaab@ucmerced.edu)).

Friday, April 18th 2014

1:00pm - 3:00pm

Social Sciences & Management Building, Room 317  
(Half Dome Room)
