PRESENTS

NATHAN STOCKAMP, M.D.

Clinical Considerations in Coccidioidomycosis

Nathan Stockamp, M.D., received his medical degree from Loma Linda University School of Medicine and completed his internal medicine residency at St. Vincent Hospital. He completed his Fellowship in Infectious Disease at University of California San Francisco at Fresno. Dr. Stockamp is a member of the following: Infectious Disease Society of America, American College of Physicians and the Christian Medical and Dental Association. Dr. Stockamp will present an introduction to *C. immitis* with emphasis on the various presentations of disease in humans, as well as challenges in medical and surgical management of coccidioidomycosis.

Friday, March 14th, 2014
