

MARTIN HAGGER – CURRICULUM VITA SEPTEMBER 2019

PERSONAL DETAILS AND CONTACT

Martin St. John Hagger, BA (Hons) (*Loughborough*), PhD (*Loughborough*), Dip Psych (*Open*), PhD (*Jyväskylä*)

Current positions:

Professor of Health Psychology
Psychological Sciences
University of California, Merced
5200 N. Lake Rd.
Merced, CA 95343
United States of America
Tel: +1 209-233-4998
Email: mhagger@ucmerced.edu

Finnish Distinguished Professor (FiDiPro)
Faculty of Sport and Health Sciences
University of Jyväskylä
PO Box 35 FI-40014
Jyväskylä
Finland
Tel: +358 408054799
Email: martin.s.hagger@jyu.fi

QUALIFICATIONS

May 1991	<i>International Baccalaureate, United World College, Singapore</i>
June 1994	<i>BA (Hons.) in PE and Sports Science, Loughborough University, UK</i>
November 1998	<i>PhD in PE and Sports Science, Loughborough University, UK</i>
December 2001	<i>Postgraduate Diploma in Psychology, Open University, UK</i>
May 2014	<i>PhD in Sport and Health Sciences, University of Jyväskylä, Finland</i>

ACADEMIC POSTS

01/02/1999 – 30/09/2001	Postdoctoral Research Fellow , Department of Psychology, University of Sheffield, UK.
01/10/2001 – 31/01/2002	Senior Research Officer , Department of Psychology, University of Essex, UK.
01/02/2002 – 31/01/2006	Lecturer , Department of Psychology, University of Essex, UK.
01/02/2006 – 30/04/2011	Reader and Associate Professor , School of Psychology, University of Nottingham, UK.
23/03/2011 – 30/06/2019	Professor of Psychology , School of Psychology, Curtin University, Australia
30/10/2013 – 30/10/2018	John Curtin Distinguished Professor , Curtin University, Australia
01/05/2016 – 31/12/2020	Finnish Distinguished Professor (FiDiPro) , Faculty of Sport and Health Sciences, University of Jyväskylä, Jyväskylä, Finland
01/07/2019 –	Professor of Health Psychology , Psychological Sciences, University of California, Merced, USA.

VISITING AND HONORARY POSTS

01/06/2011 – 31/07/2011	Visiting Professor , University of Bordeaux, Bordeaux, France
01/04/2014 – 31/05/2014	Adjunct Professor , School of Applied Psychology, Griffith University, Australia
14/07/2014 – Present	Adjunct Professor , School of Human, Health and Social Sciences, Central Queensland University, Australia
09/11/2015 – 01/12/2018	Visiting Professor , Université Grenoble Alpes, Grenoble, France
17/11/2014 – 01/12/2014	Visiting Professor , Education University of Hong Kong, Hong Kong
15/09/2015 – 27/09/2015	Visiting Professor , Sapienza University of Rome, Rome, Italy
15/04/2016 – 04/07/2016	Visiting Professor , Sapienza University of Rome, Rome, Italy
01/03/2017 – 31/03/2017	Kennedy Y. H. Wong Distinguished Visiting Professor , Hong Kong Baptist University, Hong Kong

ACADEMIC ROLES OF RESPONSIBILITY

01/01/2012 – 01/01/2015	Director of Research , School of Psychology and Speech Pathology, Curtin University, Perth, Australia
22/11/2013 – 01/07/2016	Founder and Director , Health Psychology and Behavioural Medicine (HPBM) Research Group, School of Psychology and Speech Pathology, Curtin University, Perth, Australia
09/06/2014 – 15/06/2014	Acting Dean of Research , Faculty of Health Sciences, Curtin University, Perth, Australia
13/03/2014 – 01/05/2015	Psychology Discipline Champion for Excellence in Research for Australia (ERA) Working Group, Curtin University, Perth, Australia

GUEST EDITOR OF JOURNAL SPECIAL ISSUES

- Guest Editor Special Issue of *Social Psychology*: "Ego depletion and Self-Control: Conceptual and Empirical Advances", forthcoming 2019 (with Dr. Junhua Dang).
- Guest Editor Special Issue of *Australian Psychologist*: "The State of Health Psychology in Australia", volume 49, issue 2, April 2014 (with Dr. Kyra Hamilton).
- Guest Editor Special Issue of *Psychology and Health*: "Physical Activity Research Showcasing Theory into Practice", volume 25, issue 1, January 2010.
- Guest Editor Special Issue of *British Journal of Health Psychology*: "Theoretical Integration in Health Psychology", volume 14, issue 2, May 2009.
- Guest Editor Special Issue of *Psychology of Sport and Exercise*: "Advances in Self-Determination Theory Research in Sport and Exercise Psychology", volume 8, issue 5, September 2007 (with Prof. Nikos Chatzisarantis).

POSITIONS OF RESPONSIBILITY AND SERVICE

- Chair, *British Psychological Society (BPS), Division of Health Psychology* (2007-2008)
- Member, *UK Economic and Social Research Council (ESRC) Peer Review College* (2010-2015)
- Member of *NICE Programme Development Group for Physical Activity and Children* (2007-2009)
- Member Research Committee *Healthway (The Western Australian Health Promotion Foundation – Government of Western Australia)* (2013-2015)
- Panel Member, Centre for Research Excellence in Clinical Research Funding, *National Health and Medical Research Council* (2017)
- Honorary Treasurer, *British Psychological Society, Division of Sport and Exercise Psychology* (2004-2007)
- Member *BPS Division of Health Psychology Conference Scientific Committee* (2006-2007)
- Member of *International Society of Behavioral Medicine Congress Scientific Committee* (2014)
- Faculty member of *Self-Determination Theory*, (2005-present)
- Founding member, *British Society for the Psychology of Individual Differences* (2010-2011)
- Panel member, *Alcohol Advertising Review Board* (<http://www.alcoholadreview.com.au/>) (2013-present)
- Lead Author, BPS response to *House of Lords' Science and Technology Committee Call for Evidence on Behaviour Change* (2010)
- Chair of Organizing Committee, *British Psychological Society Division of Health Psychology Annual Conference 2006*, University of Essex, UK.

- Scientific Committee Member, *International Congress of Behavioral Medicine*, 2014

MEMBERSHIP OF LEARNED SOCIETIES

- American Psychological Society, Division 38 (Health Psychology) (2014-Present)
- Australasian Society of Health and Behavioural Medicine (2012-Present)
- British Psychological Society, Chartered Health and Sport and Exercise Psychologist (2002-2012)
- European Health Psychology Society (2008-Present)
- European Association of Experimental Social Psychology (2007-2010)
- Health Professions Council UK, Registered Health and Sport and Exercise Psychologist (2009-2012)
- Social and Personality and Health Network (2015-Present)
- Society for Personality and Social Psychology (2002-2012)
- Social Psychology Network (2008-Present)
- Society for the Study of Motivation (2010-Present)
- UK Society of Behavioural Medicine (2006-2010)
- Accredited Sport Scientist with the British Association of Sport and Exercise Sciences (BASES) (2000-2009)

EXTERNAL EXAMINING

External Examiner for Degree Programmes

- External examiner for BSc in Psychology (Young and Community Development) in the Faculty of Psychology and Education, University of Malaysia Sabah (2015)
- External examiner for Degrees in Sport and Exercise Sciences in the School of Sport and Exercise Sciences at University of Birmingham (2010-2011)
- External examiner for Degrees in Psychology in the School of Psychology at University of Keele (2009-2011)
- External examiner for Degrees in Psychology in the School of Psychology at University of Plymouth (2008-2011)
- External examiner for periodic review of Degrees in Psychology in the Department of Psychology at University of Central Lancashire (2008)
- External examiner for Degrees in Sport and Exercise Sciences in the School of Social, Health, and Natural Sciences at University of Sunderland (2007-2011)
- External examiner for MSc in Active Recreation and Health, at the University of Wales, Newport (2005-2009)

External Examiner/Reader for PhD Theses

Ahmad Ali, Brunel University, UK, 29.06.2003; **Tawfeeq Albakry**, University of Exeter, UK, 08.09.2006; **Erika Borkoles**, University of Hull, UK, 10.06.2010; **Ruth Boat**, Loughborough University, UK, 11.10.2016; **Tracy Brickell**, University of Southern Queensland, Australia, 09.12.2002; **Eugene Cheong**, National Institute of Education, Singapore, 21.04.2011; **Peter Chua**, University of Western Australia, Australia, 25.03.2012; **Michelle Curran**, University of Southern Queensland, Australia, 28.05.2012; **Junhua Dang**, Lund University, Sweden, 17.10.2017; **Melfy Eddosary**, University of Exeter, UK, 15.04.2010; **Kyra Hamilton**, Queensland University of Technology, Australia, 09.06.2011; **Gareth Hollands**, King's College, London, UK, 11.12.2009; **Magdalena Katomeri**, Plymouth University, UK, 27.06.2008; **Yohannes Keflemariam**, La Trobe University, Australia, 07.11.2012; **Emily Kothe**, University of Sydney, Australia, 10.03.2012; **Coral Boon San Lim**, National Institute of Education, Singapore, 02.11.2012; **Marisa Loft**, University of Auckland, New Zealand, 08.06.2011; **Tanya Osicka**, Deakin University, Australia, 10.09.2016; **Erin Pearson**, Victoria University, Australia, 11.12.2006; **Kirby Sainsbury**, University of Sydney, Australia, 20.07.2013; **Timothy Schofield**, UNSW, Australia, 15.06.2014; **Silje Skar**, University of Aberdeen, UK, 03.12.2010; **Erica Thomas**, Worcester University, UK, 18.01.2010; **Ian Taylor**, University of Birmingham, UK, 29.08.2008; **Rosemary Walsh**, Flinders University, Australia, 07.10.2016.

Internal Examiner/Thesis Chair for Higher Degrees by Research

Kylie Heritage, Curtin University, 06.02.2012; **Nadja Heym**, University of Nottingham, 30.10.2009; **Jane Ward**, University of Nottingham, 23.08.2007.

RESEARCH FUNDING

- | | |
|-----------|---|
| 2000 | UK Sport, £500 to represent UK Sport at the European College of Sport Science Congress, Jyväskylä, Finland, July 19-24, 2000 |
| 2002-2003 | University of Essex Research Promotion Fund, £4,711 for "Implementing intentions to drink carbohydrate-electrolyte solutions during exercise" (PI). |
| 2003-2007 | ESRC 1 + 3 Studentship award for Jemma Harris, £30,000 for "Effects of global and contextual self-determined motivation on health behaviour" (PI). Results published as in articles in <i>Personality and</i> |

Social Psychology Bulletin, Motivation & Emotion, and Journal of Applied Biobehavioral Research. PhD completed in November 2007.

- 2007-2009 European Research Advisory Board, €105,000 for “A psychosocial intervention to reduce high-risk single-session alcohol (binge) drinking among company employees in a workplace setting in four European nations” (PI) with Vello Hein (Tartu University, Estonia), Magnus Lindwall (University of Gothenberg, Sweden) and Taru Lintunen (University of Jyväskylä, Finland).
- 2008-2009 Leverhulme Trust, £87,000 for “On the origins and nature of ego-energy: Effects of choice on self-control” (PI) with co-PI Nikos Chatzisarantis (Plymouth University, UK).
- 2009-2012 Singapore Ministry of Education AcRF Tier 2 funds S\$506,000 (£214,000) for “Understanding human self-control and decision making” (CI) with Nikos Chatzisarantis (National Institute of Education, Singapore).
- 2009-2013 ESRC CASE award- PhD project, £30,000 for “Integrating Prospect Theory (framing effects) and the Common Sense Model of illness to improve medication compliance in glaucoma patients” (CI) with Prof. Eamonn Ferguson (University of Nottingham, UK, PI), and Drs. Anthony King and Alex Foss (Queens Medical Centre, Nottingham, UK).
- 2009-2010 Department of Health/Government Office of the East Midlands, £3,998 for “Review of regional print media reporting of alcohol-related harm” (PI).
- 2010-2011 Alcohol Education and Research Council, £39,359 for “The cost of alcohol: The advocacy for a minimum price per unit in the UK” (PI) with co-PIs Prof Justine Schneider (University of Nottingham, UK), Prof Rob Baggott (Demontfort University, UK), and Dr Gillian Penny (University of Northampton, UK).
- 2010 British Psychological Society Undergraduate Research Assistantship Scheme, £1,600 for “Glucose as a mediator of self-control in the delay of gratification paradigm in children” (PI) with Leung Chung-Ming (University of Nottingham, UK).
- 2012 PsyLife Small Grant Scheme, AUS\$4631.20 for “Perfectionism and Willpower: Evidence that Perfectionists are Resistant to the Deleterious Effects of Self-Control Resource Depletion” (PI) with Sarah J. Egan (Curtin University, Australia, CI).
- 2012 PsyLife Small Grant Scheme, AUS\$1984.80 for “Effect of Chewing Glucose-Infused and Sugar-Free Gum on Willpower” (PI) with Derwin K. C. Chan (Curtin University, Australia, CI).
- 2012-2013 Government of Australia, Anti-Doping Research Programme, AUS\$120,693.10 for “Generating and using evidence to develop anti-doping educational materials for young athletes in different sports” (PI) co-investigators Robert Donovan (Curtin University, Australia), James Dimmock (University of Western Australia, Australia), Matt Burgin (Western Australia Institute of Sport, Australia), Vanessa Lentillion-Kaestner (University of Lausanne, Switzerland), and Sarah Hardcastle (University of Brighton, UK).
- 2012-2013 Australian Research Council, Discovery Project (#DP130103277), AUS\$95,834 for “Advancing the science of willpower: Investigating the mechanisms and processes of self-control” (PI) Jonathan Foster (Curtin University, UK), Eric Vanman (University of Queensland, Australia), and Michael Smith (Northumbria University, UK).
- 2012-2013 Healthway (the Western Australian Health Promotion Foundation) Health Promotion Research Grant, AUS\$156,000 for “Minimum pricing for alcohol: what does the WA public think?” (PI) Natasha Carragher (University of New South Wales, Australia), Mike Daube and Tanya Chikritzhs (Curtin University, Australia), and Adam Lonsdale (Oxford Brookes University, UK).
- 2013-2014 Government of Western Australia, Department of Sport and Recreation, AUS\$56,680.06 for “*Developing Champions* Participant Evaluation Tool (DC-PET) Development” (PI) with Prof. Marian Tye (Curtin University, Australia).
- 2014 School of Psychology and Speech Pathology Research Award, AU\$5,000 for “Common sense model of illness representation: A psychometric evaluation of the revised illness perception questionnaire for different types of diseases” (CI) with Derwin K. C. Chan (Curtin University, Australia, PI) and Nikos L. D. Chatzisarantis (Curtin University, Australia).
- 2014 School of Psychology and Speech Pathology Research Award, AU\$5,000 for “Ego-depletion and anti-doping in sport: Does reduced self-control impair athletes’ awareness to banned performance-

enhancing substances?” (CI) with Nikos Ntoumanis (Curtin University, Australia, PI), Nikos L. D. Chatzisarantis (Curtin University, Australia), and Derwin K. C. Chan (Curtin University, Australia, CI).

- 2014 School of Psychology and Speech Pathology Research Award, AU\$5,021 for “Health Behaviour Change in Colorectal Cancer Survivors: A qualitative Study exploring the factors influencing physical activity and healthy eating among colorectal cancer survivors” (CI) with Sarah J. Hardcastle (Curtin University, Australia, PI) and Moira O’Connor (Curtin University, Australia).
- 2014 School of Psychology and Speech Pathology Research Award, AU\$4,800 for “Exploring Western Australian’s causal beliefs about factors that lead to binge drinking using focus group interviews and cognitive structural modelling” (CI) with David A. Keatley (Curtin University, Australia, PI), Sarah J. Hardcastle (Curtin University, Australia) and Vanessa Allom (Curtin University, Australia).
- 2014 Health Collaborative Research Network (HCRN) travel award AUS\$2,800 for “The science behind ‘willpower’: Neural mechanisms” and “Identifying factors related to hazardous pre-drinking in young people” visits to Queensland University of Technology, Central Queensland University and University of Queensland, Brisbane, Australia with Prof. Katy White (Queensland University of Technology, Australia), Dr. Amanda Rebar (Central Queensland University, Australia), and Dr. Eric Vanman (University of Queensland, Australia).
- 2014 Health Collaborative Research Network (HCRN) travel award AUS\$3,600 for “Extending the health self-control model to include the construct of habit” and “Continuation of the neural bases of self-control project” visits to Griffith University, Central Queensland University and University of Queensland, Brisbane, Australia with Dr. Kyra Hamilton (Griffith University, Australia), Dr. Amanda Rebar (Central Queensland University, Australia), and Dr. Eric Vanman (University of Queensland, Australia).
- 2014-2015 Behavioural Basis of Health, Griffith University and Research Allocation Fund (RAF) grant, Curtin University, AUS\$ 10,182 for “Identifying the behaviour modification strategies most effective in changing the ‘big four’ health-promoting behaviours: increasing physical activity, healthy eating, alcohol reduction, and smoking cessation” (PI) with Kyra Hamilton (Griffith University, Australia).
- 2014-2015 International Atherosclerosis Society and Pfizer, AUS\$346,338 for “Translational Research for Improving the Care of FH: The Ten Countries Study” (CI) (Grant ID: 10839501) with Prof. Gerald F Watts (Australia) (PI), Prof. David R Sullivan (Australia), Prof. Stephen Nicholls (Australia), Prof. Raul Santos (Brazil), Prof. Shizuya Yamashita (Japan), Prof. Brian Tomlinson (Hong Kong), Prof. Jie Lin (China), Prof. Peter George (New Zealand), Prof. A David Marais (South Africa), Prof. Jeong Euy Park (South Korea), Prof. Michael Livingston (International FH Foundation) and Prof. Eric Sijbrands (Netherlands).
- 2015-2016 St. John of God Healthcare, AUS\$20,000 for PhD scholarship for Chloe Maxwell-Smith on a project entitled “The promotion of health behaviour change in colorectal cancer survivors” (CI) with Sarah J. Hardcastle (PI) and Nik Zeps (St. John of God Healthcare and Curtin University, Australia).
- 2015-2017 Health Collaborative Research Network (HCRN), AUS\$50,000 (HCRN), AUS\$25,000 (Faculty of Health Sciences, Curtin University), AUS\$50,000 (School of Psychology and Speech Pathology, Curtin University) for “The PATHS study: Physical Activity Tailored intervention in Hospital Staff: A randomised controlled trial investigating the feasibility, acceptability and efficacy of web-based intervention” (PI), co-investigators Corneel Vandelanotte (Central Queensland University, Australia), Amanda Rebar (Central Queensland University, Australia) and Ben Gardner (King’s College, London, UK).
- 2015 Menzies Health Institute Queensland AU\$12,000 for “Investigating the impact of alcohol-related drowning prevention interventions: a systematic literature review” (CI) with Kyra Hamilton (Griffith University, Australia, PI) and Amy Peden (RLSA).
- 2015 British Academy Small Research Grants £10,000 for “Time perspective effects in persuasion and behaviour change” (CI) with Sheina Orbell (University of Essex, UK, PI)
- 2016-2019 The Finland Distinguished Professor Programme (FiDiPro) Fellowship funded by Tekes, €777,337 for “Motivation: Theory- and Evidence-Based Interventions to Increase Physical Activity” (PI) with Taru Lintunen (University of Jyväskylä), Ilkka Vuori (University of Tampere), Nelli Hankonen (University of Tampere, Finland), Asko Härkönen (Kisakallio Sports Institute, Finland), Joni Kettunen (Firstbeat Technologies OY, Finland), Kari Keskinen (Finnish Society of Sport Sciences, Finland), Jari-Erik Nurmi (University of Jyväskylä, Finland), Tuomo Rossi (University of Jyväskylä, Finland), Pekka Sivonen (Zedoscan OY, Finland), and Antti Uutela (National Institute of Health and Welfare, Finland).

- 2016 Center for Effective Global Action (CEGA) and the Berkeley Initiative for Transparency in the Social Sciences (BITSS) Social Science Meta-Analysis and Research Transparency (SSMART) grant US\$28,437 for “Development of an Integrated Theoretical Model of Condom Use for Young People in Sub-Saharan Africa” (CI) with Cleo Protogerou (University of Cape Town, South Africa, PI) and Blair Johnson (University of Connecticut, USA).
- 2016 Royal Life Saving Society – Australia (RLSA) and School of Applied Psychology, Griffith University AU\$14,000 for “A review of personal, social, and environmental factors associated with lifejacket wear in adults and children” (CI) with Kyra Hamilton (Griffith University, Australia, PI) and Amy Peden (RLSA).
- 2017-2018 HK Health and Medical Research Foundation (HMRF) HK\$99,840 for “Building a theory-driven smartphone application for monitoring and promoting orthopaedic patients’ motivation and adherence to medical regimen in Hong Kong: A pilot randomised controlled trial” (CI) with Derwin C. K. Chan (University of Hong Kong, Hong Kong, PI), Yung S.-H. P. (Chinese University of Hong Kong, Hong Kong), Macfarlane, D. (University of Hong Kong, Hong Kong), Kam M. M. (Chinese University of Hong Kong, Hong Kong), and Chris Lonsdale (Australian Catholic University, Australia).
- 2017-2018 World Anti-Doping Agency (WADA) Target Social Science Research Grant Program US\$64,975 for “Developing an evidence-based smartphone application for monitoring and promoting athletes’ awareness to unintentional doping” (CI) with Derwin C. K. Chan (University of Hong Kong, Hong Kong, PI), Gucciardi, D. (Curtin University, Australia), and Yung S.-H. P. (Chinese University of Hong Kong, Hong Kong).
- 2018-2020 Ministry of Education Finland €410,908 for “Using Physical Education to Promote out-of-School Physical Activity in Lower Secondary School Students: A Randomized Controlled Intervention Based on Behavioural Theory” (PI) with Taru Lintunen, Mary Chasandra, and Mirja Hirvensalo (University of Jyväskylä, Finland).
- 2017-2019 HK Health and Medical Research Foundation (HMRF) HK\$729,320 for “Promoting influenza prevention for elderly people in Hong Kong: A Health Action Process Approach” (CI) with Chunqing Zhang (Hong Kong Baptist University, Hong Kong, PI), Joseph Tak Fai Lau (Chinese University of Hong Kong, Hong Kong), Pak-Kwong Chung (Hong Kong Baptist University, Hong Kong), Yanping Duan (Hong Kong Baptist University, Hong Kong), and Derwin C. K. Chan (University of Hong Kong, Hong Kong).
- 2017 Royal Life Saving Society Australia (RLSA) and School of Applied Psychology, Griffith University, AU\$7,210 for “Effects of message framing in drowning prevention communication: A temporal and self-regulatory framework” (CI) with Kyra Hamilton (Griffith University, PI), Amy Peden (RLSA), and Jacob Keech (Griffith University).
- 2017-2018 International Olympic Committee Advanced Olympic Research Grant Programme, US\$13,248 for “Self-compassion as a fundamental deterrent to using performance enhancing drugs” (CI) with Nikos L. D. Chatzisarantis (Curtin University, PI).
- 2017 Royal Life Saving Society Australia (RLSA) and MenziesHIQ 2017 Incentive Quality Development Scheme, AU\$20,000 for “Changing driver behaviour during floods: Testing a novel e-health intervention using implementation imagery” (CI) with Kyra Hamilton (Griffith University, PI) and Amy Peden (RLSA).
- 2018 Seed Fund for Translational and Applied Research, University of Hong Kong, HK\$110,800 for “Developing an mHealth platform for the promotion of public awareness to antimicrobial resistance” (CI) with Derwin Chan (University of Hong Kong, PI), Ching Lung Cheung (University of Hong Kong, CI), and Daniel Churchill (University of Hong Kong, CI).
- 2019-2021 Foundation for Polish Science, 897,562 PLN (AU\$332,111.40) for “A theory-based online-delivered intervention to promote weight loss maintenance: a within-person randomised controlled trial” (CI) with Dominika Kwasnicka (Curtin University, CI), Eleanor Quested (Curtin University, CI), Felix Naughton (University of East Anglia, UK, CI), and Aleksandra Luszczynska (University of Colorado, Colorado Springs, CI).
- 2019-2021 Health and Medical Research Fund, Hong Kong Food and Health Bureau, HK\$927,360 for “Effectiveness of a theory-driven smartphone application on orthopaedic patients’ motivation and adherence to medical regimen in Hong Kong: A randomised controlled trial” (grant # 16172201) (CI) with Derwin Chan (University of Hong Kong, PI), Patrick Shu-Hang Yung (Chinese University of Hong Kong, CI), Thomson Wai Lung Wong (University of Hong Kong, CI), Chris Lonsdale (Australian Catholic University, CI), and Parco Ming Fai Siu (University of Hong Kong, CI)
- 2019-2020 Griffith University (Health)/The Hong Kong Polytechnic University (Faculty of Health and Social Sciences) Collaborative Research Grants Scheme, AU\$25,030 for “Development of a novel imagery intervention to change implicit theories about willpower: Evaluation in Australian and Chinese university students” (CI) with Kyra Hamilton (Griffith University, PI), Shimin Zhu (HK Polytechnic University, PI),

- Jacob Keech (Griffith University, CI), Melanie Zimmer-Gembeck (Griffith University, CI), and Hector Tsang (HK Polytechnic University, CI).
- 2019-2020 Sanitarium Health Food Company, AU\$83,293.12 for “The role of conscious and non-conscious processes on children’s food choices” (CI) with Kyra Hamilton (Griffith University, PI).
- 2019-2021 2019 Health Group Seed Grant Scheme, Griffith University, AU\$75,936.32 for “Improving caregiver oral self-care and healthy dietary habits for young Indigenous children: Developing a culturally specific oral health promotion model” (CI) with Kyra Hamilton (Griffith University, PI), Newell W. Johnson (Griffith University, CI), Maree Toombs (University of Queensland, CI), Jeroen Kroon (Griffith University, CI), and Lauren Williams (Griffith University, CI).

PI = Principal (Lead) Investigator

CI = Co-Chief Investigator

RESEARCH SUPERVISION

Postdoctoral Researchers

Derwin Chan (2013-2015); **Maria Chassandra** (2017-2019); **Rachael Glassey** (2014); **David Keatley** (2013-2015); **Svietlana Kamarova** (2009-2012); **Severine Koch** (2014-2015); **Dominika Kwasnicka** (2015-2017); **Arto Laukkanen** (2017-); **Adam Lonsdale** (2010-2011); **Alexander Montasem** (2002-2003); **Katerina Schneider** (2019-); **Chris Stiff** (2008-2009); **Chantelle Wood** (2008-2009); **John Zadra** (2014).

PhD Students - Current

Daniel Brown (year 3, co-supervised with Dr. Kyra Hamilton and Prof. Shirley Morrissey); **Saeideh Botlani Esfahani** (year 2, co-supervised with Dr. Sebely Pal); **Kaylyn McAnally** (year 1); **Lauren McKinley** (year 1, recipient of the ‘hot chalk’ scholarship); **Susette Moyers** (year 2, co-supervised with Prof. Linda Cameron); **Heidi Pasi** (year 5, Finnish National scholarship, co-supervised with Prof. Taru Lintunen); **Daniel Phipps** (year 1, co-supervised with Drs. Kyra Hamilton and Prof. Shirley Morrissey); **Juho Polet** (year 5, Finnish Ministry of Education, co-supervised with Prof. Taru Lintunen); **Chanelle Wilson**, (year 1, APA funded, co-supervised with Dr. Lorraine Sheridan).

PhD Students - Completed

Ashley Fenner (completed May 2014; funded by CAFAP research project, co-supervised with Prof. Leon Straker and Dr. Melissa Davis); **Kim Caudwell** (completed June 2017, funded by an Australian Postgraduate Award (APA), co-supervised with Dr. Barbara Mullan); **Derwin Chan** (completed August 2012, recipient of University of Nottingham International Scholarship Award; Currently Assistant Professor, School of Public Health, University of Hong Kong, Hong Kong); **Joanne Cranwell** (completed November 2013, co-supervised with Dr. Steve Benford and Dr. Robert Haughton, University of Nottingham; Currently Assistant Professor in the Department for Health, University of Bath, UK); **Judith Hancock** (completed May 2013, co-supervised with Dr. Katherine Brown and Prof. Louise Wallace, Coventry University); **Jemma Harris** (completed November 2007; Currently Senior Lecturer in the School of Psychology, University of East London); **Anne Hattar** (completed July 2016, co-supervised with Dr. Sebely Pal); **Caroline Henderson** (completed March 2007, co-supervised with Prof. Sheina Orbell, University of Essex); **Monica Jane** (completed October, 2017, co-supervised with Dr. Sebely Pal); **Sviatlana Kamarova** (completed July 2016, recipient of Curtin Strategic International Research Scholarship (CIPRS) award, co-supervised with Prof. Nikos Chatzisarantis; Current Postdoctoral Researcher in the School of Physiotherapy and Exercise Science, Curtin University, Australia); **David Keatley** (completed November 2012; Currently Senior Lecturer, School of Psychology, Murdoch University, Australia); **Jacob Keech** (completed August 2019, co-supervised with Drs. Kyra Hamilton and Frances O’Callaghan; Currently postdoctoral researcher at Griffith University); **Maria Kyriakaki** (completed October 2007, co-supervised with Prof. Sheina Orbell, University of Essex); **Nick Lee** (completed March 2018, co-supervised with Prof. Nikos Chatzisarantis, Curtin University); **Stephanie MacDonald** (completed December 2013, co-supervised with Prof. Eamonn Ferguson, University of Nottingham and Drs. Anthony King and Alexander Foss, Queens Medical Centre, Nottingham; Currently Teaching Associate in the School of Psychology, University of Nottingham, UK); **Lynne McCormack** (completed November 2010, co-supervised with Prof. Stephen Joseph, University of Nottingham; Currently Senior Lecturer in the School of Psychology, University of Newcastle, Australia); Carine Meslot (completed December 2016, recipient of a scholarship from Université Grenoble Alpes, co-supervised with Dr. Aurélie Gauchet and Dr. Benoît Allenet; Currently postdoctoral researcher at University of Manchester, UK); **Sarah McLachlan** (completed September 2010; Currently Research Associate in the Institute of Primary Care and Health Sciences, Keele University, UK); **Giulia Panetta** (completed November 2013 with Ellen Townsend, University of Nottingham); **Linda Pannekoek** (completed June 2015, recipient of CIPRS award, co-supervised with Prof. Jan Piek, Curtin University; Currently Advisor to the Health and Disability Intelligence Group, Ministry of Health, Wellington, New Zealand); **Panagiotis Rentzelas** (completed July 2009; currently Lecturer in Department of Psychology, Birmingham City University, UK); **Deming Wang** (completed March 2018, co-supervised with Prof. Nikos Chatzisarantis; Currently Lecturer, Psychology, James Cook University, Singapore); **Juliana Zabatiero** (completed July 2016, recipient of CIPRS award, co-supervised with Drs. Kylie Hill, Anne Smith, and Daniel Gucciardi; Currently Sessional Academic in the School of Physiotherapy and Exercise Science, Curtin University, Perth, Western Australia).

Interns and visiting scholars

Simon Davey (University of Hertfordshire, UK, 2013); **Kirstin Esser** (German Sport University, Germany, 2012); **Laura Girelli** (University of Rome “La Sapienza”, Italy, 2014); **Helen Josaar** (University of Tartu, Estonia, 2010); **Tanja Kristic** (German Sport University, Germany, 2009); **Karina Limburg** (Westfälische Wilhelms-Universität Münster, Germany, 2013); **Carine Meslot** (Université Alpes Grenoble, France, 2016); **Eline Smit** (Maastricht University, the Netherlands, 2009); **Sarwat Sultan** (Bahauddin Zakariya University, Pakistan, 2012-2013); **Nina te Pas** (University of Maastricht, the Netherlands, 2012); **Amelia Turrell** (University of Kent, 2015-2016); **Nadine Trost** (University of Maastricht, 2015); **Maria Zwieneberg** (University of Bordeaux, 2015)

KEYNOTE AND INVITED PRESENTATIONS

Date(s)	Type	Organisation/Meeting	Venue
International			
Aug 21-25, 2018	Master lecture	Master Lecture, European Health Psychology Society (EHPS) Congress	Galway, Ireland
Jun 26-30, 2018	State-of-the-art lecture	State-of-the-Art lecture, International Conference on Applied Psychology (ICAP) Congress	Montréal, Canada
Jul 10-14, 2017	Keynote	Keynote speaker, International Society of Sport Psychology (ISSP) 14 th World Congress of Sport Psychology	Sevilla, Spain
Oct 21-22, 2016	Keynote	12th European Network of Young Specialists in Sport Psychology (ENYSSP) Conference	Warsaw, Poland
Jan 28, 2016	Invited speaker	Social, Personality, and Health Network Conference	San Diego, CA, USA
Jun 4-6, 2015	Keynote	International Society of Behavioural Nutrition and Physical Activity Conference	Edinburgh, UK
Aug 7-10, 2014	Keynote	Asian and South Pacific Association of Sport Psychology Conference	Tokyo, Japan
Jul 8-13, 2014	Transversal keynote	International Conference on Applied Psychology (ICAP) Congress	Paris, France
May 12-14, 2014	Keynote	Société Française de Psychologie du Sport International Conference of Sport Psychology	Nice, France
Mar 23-25, 2012	Invited speaker	Familial Hypercholesterolaemia and Genetic Dyslipidaemia Satellite Meeting (International Atherosclerosis Society Conference)	Manly Beach, Sydney
Nov, 20-12, 2009	Keynote	5th European Network of Young Specialists in Sport Psychology (ENYSSP) Conference	Bolzano, Italy
Jun 21-24, 2007	Keynote	University Professors' European Meeting	Rome, Italy
National			
Oct 25-26, 2016	Keynote	Finnish Health Psychology Congress	Helsinki, Finland
Aug 17-18, 2016	Keynote	Pedaforum Congress	Jyväskylä, Finland
May 27-29, 2016	Keynote	Italian Society for Sport Psychology (AIPS) Congress	Bologna, Italy
Apr, 20-23, 2015	Keynote	6 th International Sports Medicine and Sports Science Conference	Putrajaya, Malaysia
Jun 12-13, 2013	Keynote	Finnish Sports Science Congress	Jyväskylä, Finland
Apr 1-2, 2012	Keynote	Education and Sport Education Conference	Macau
Jun 2-4, 2011	Keynote	German National Sport Science Conference	Cologne, Germany
Oct 19-22, 2011	Keynote	Australian Conference of Science & Medicine in Sport	Freemantle, Australia
Mar 25-26, 2010	Invited speaker	Société Française de Psychologie du Sport National Conference	Lyon, France
May 25-28, 2010	Invited speaker	International Congress on Physical Education and Sport Science (ICPESS)	Singapore

Nov 12, 2010	Invited speaker	3rd Aseptic Non-Touch Technique (ANTT) National Conference	Kings Cross, London, UK
Mar 7, 2008	Keynote	British Psychological Society Division of Health Psychology Scotland Annual Conference	Edinburgh, UK
May 9-11, 2008	Keynote	Keynote presentation to British Psychological Society Northern Ireland Branch Annual Conference	Co Armagh, Republic of Ireland

INVITED WORKSHOPS AND SEMINARS

- 2014 SYNERGY expert meeting on “Implementation Intention and Action Planning Interventions in Health Psychology”, Innsbruck, Austria, 25-26 August, 2014
- 2016 European Association of Social Psychology Summer School, Leader on “Behaviour Change” Workstream, University of Exeter, UK, 1-12 August, 2016

AWARDS AND HONOURS

- 1997 Young Investigators Award, European College of Sport Science (ECSS) Annual Congress, Copenhagen, Denmark
- 2013 Researcher of the Year Award 2013, Faculty of Health Sciences, Curtin University
- 2012-2015 Highest impact publication in Faculty of Health Sciences for Field of Research Code 1117 Human Movement/Psychology 1701
- 2014 Fellow of European Health Psychology Society (EHPS)
- 2014 Distinguished Health Psychology Contribution Award, Health Psychology Division (Division 8), International Association of Applied Psychology (IAAP)
- 2014 Distinguished International Affiliate of Division 38 (Health Psychology) of the American Psychological Association
- 2014 Delivered Occasional Address, Curtin University Graduation Ceremony for Faculty of Health Sciences, the Forum, Curtin Bentley Campus, February 8, 2014
- 2017 Nominated for Curtin Research Impact and Engagement Award
- 2019 Fellow of the Society of Experimental Social Psychology (SESP)

PUBLIC ENGAGEMENT ACTIVITIES AND CONSULTATION

- Hagger, M. S.** (September 15, 2011). The cost of alcohol: The advocacy for a minimum price per unit of alcohol in the UK. Invited presentation to the British Science Association Festival, Science Media Centre, Bradford, UK.
- Hagger, M. S.** (September 16, 2011). The cost of alcohol: The advocacy for a minimum price per unit of alcohol in the UK. Invited presentation at the Alcohol Research UK Launch Event, Royal Society of Arts, London, UK.
- Hagger, M. S.** (November 22, 2013). The science of health behaviour. Inaugural speech at the Health Psychology and Behavioural Medicine (HPBM) Research Group Launch and Networking Meeting, Hyatt Regency, Perth, Australia.
- Hagger, M. S.** (October 29, 2014). Developments on people’s beliefs about minimum pricing for alcohol and causes of binge drinking. Invited presentation to the Behavioural Research in Alcohol Breakfast Networking Meeting, Matilda Bay, Perth, Australia.
- Hagger, M. S.** (September 26-29, 2016). Capacity building workshop for development and implementation of mental simulation approach as health promotion strategies for prevention of non-communicable diseases (physical activity). Workshop presented to the Health Promotion Division, Ministry of Health, Malaysia funded by the World Health Organization.
- Hagger, M. S.** (September-November, 2016). Guidelines on changing behaviour using mental imagery and mental simulation for health educators. Development of guidelines on behaviour change for Health Promotion Division, Ministry of Health, Malaysia funded by the World Health Organization.
- Hagger, M. S.** (February 13-17, 2017). Capacity building workshop for development and implementation of mental simulation approach as health promotion strategies for prevention of non-communicable diseases (physical activity). Workshop presented to the Health Promotion Division, Ministry of Health, Malaysia funded by the World Health Organization.

TEACHING, ADMINISTRATION AND UNIVERSITY SERVICE

University of Essex, UK

2002 – 2006	Course convenor	PS111 Discovering Psychology PS486 Social Psychology of Exercise and Sport
	Teaching staff	PS459 Social Psychology and Health Related Behaviour
2002 – 2006	Member	Staff-Student Liaison Committee
2002 – 2004	Associate Dean, Accommodation	Bertrand Russell Hall, Wivenhoe Park, University of Essex
2004 – 2006	Associate Dean, Accommodation	South Courts, Wivenhoe Park, University of Essex

University of Nottingham, UK

2006 – 2011	Chair	Personality, Social Psychology, and Health Research Group
2006 – 2009	Course convenor	C83MPR Research Project C82SAD Social and Developmental Psychology C83SPE Social Psychology of Exercise and Sport
2006 – 2011	Course convenor:	University of Nottingham Senate representing Faculty of Science
2007 – 2009	Elected member	Southwell and Melton Halls of Residence, Jubilee Campus
2008 – 2011	Warden	PhD Studentship Interview Panel
2008 – 2011	Panel Member	Student Liaison
2009 – 2011	Co-Ordinator	Staff-Student Liaison Committee
2009 – 2011	Member	

University of Sheffield

2008 – 2011	Visiting Lecturer	Social Psychology Course on Master's Program in Clinical Psychology (MRCPsych), Academic Clinical Psychiatry, University of Sheffield
-------------	-------------------	---

Curtin University, Australia

2013 & 2014	Chair	Search committee, Lecturer/Senior Lecturer Positions in Psychology
2013-2014	Chair	Development and design, Psychology Experimental Research Laboratories at Curtin (PERL-C) facility
2013 – 2016	Director	Health Psychology and Behavioural Medicine Research Group
2012 – 2015	Director	Research, School of Psychology and Speech Pathology
2012 – 2015	Chair	Research and Development Committee, School of Psychology and Speech Pathology
2014, June	Acting Dean of Research	Faculty of Health Sciences
2012 – 2016	Member	Executive Committee, School of Psychology and Speech Pathology
2011 – 2013	Director	RECAP and PsyLIFE Research Centres
2011 – Present	Member	School of Psychology and Speech Pathology PhD Candidacy Committee
2012 – Present	Teaching staff	PSY212 Social Psychology PSY723 Social and Behavioural Health PSY491 Psychology Honours Dissertation

Open University, UK

2001	Associate lecturer	D309 Cognitive Psychology
2001-2004	Tutor	D309 Cognitive Psychology Residential School
2005-2015	Tutor	DD303 Cognitive Psychology Residential School

University of Jyväskylä, Finland/University of Leipzig, Germany

2011-2014	"Third Country" Visiting Scholar	Erasmus-Mundus European Master's in Sport and Exercise Psychology Programme (EMSEP)
-----------	-------------------------------------	---

JOURNAL ARTICLES IN PEER-REVIEWED JOURNALS (in first-author alphabetical order by year)

*Publication authored or co-authored by PhD/Master's degree student supervised by Martin S. Hagger

†Publication which has been, or is currently, marked as a *Highly Cited Paper* by Thompson Reuters at any one time receiving enough citations to place it the top 1% of its academic field based on a highly cited threshold for the field and publication year

ΔPublication which has been, or is currently, marked as a *Hot Paper* by Thompson Reuters at any one time receiving enough citations to place it in the top 0.1% of papers in its academic field

CONFERENCE ABSTRACTS AND PRESENTATIONS

1995

- Hagger, M. S.**, Cale, L. & Almond, L. (1995). The importance of children's attitudes towards physical activity. In: R. Lidor, E. Eldar & I. Harari, Proceedings of the 1995 AIESEP World Congress: Bridging the gaps between gaps between disciplines, curriculum and instruction, Netanya, Israel: Wingate. pp. 188-194.

1997

- Hagger, M. S.** (1997). Testing the multidimensional, hierarchical structure of physical self-perceptions in British children. In J. Bangsbo, B. Saltin, H. Bonde, Y. Hellsten, B. Ibsen, M. Kjaer & G. Sjogaard (Eds.). Proceedings of the 2nd Annual Congress of European College of Sport Science, Copenhagen, Denmark, August 20-23, 1997, University of Copenhagen. pp. 192-193.
- Hagger, M. S.** & Ashford, B. (1997). The importance of British and Russian children's physical self-perceptions and their relationship to physical self-worth. In R. Lidor & M. Bar-Eli (Eds.). Proceedings of the International Society of Sports Psychology IX World Congress of Sport Psychology, Netanya, Israel: Wingate Institute. pp. 303-305.
- Hagger, M. S.** & Ashford, B. (1997). Confirming the validity of the PSPPP-C in British children. Paper presented at the 1997 BASES conference, University College of Ripon & York St. John, York, UK, September 3, 1997.
- Hagger, M. S.** & Cale, L. (1997). Validity and reliability of the CATPA, an instrument for measuring children's attitudes toward physical activity, in British children. Paper presented at 5th International Congress on Physical Education and Sport, Greece, May 18, 1997.
- Hagger, M. S.** & Weed, M.E. (1997). Government sports policy and physical education in Britain: How "Sport: Raising the Game" might affect children's activity levels. Paper presented at 5th International Congress on Physical Education and Sport, Greece, May 17, 1997.

1998

- Hagger, M. S.** & Cale, L.A. (1998). Psychological determinants of children's physical activity behaviour: The role of perceived competence in the theory of planned behaviour. Paper presented at the Association for the Advancement of Applied Sports Psychology Annual Conference 1998, Cape Cod, Mass., U.S.A., September 24, 1998.
- Hagger, M. S.**, Chatzisarantis, N. & Biddle, S.J.H. (1998). The importance of latent, unobserved expectancy-value measurements of attitude and subjective norms in the prediction of physical activity intentions. In A.J. Sargeant and H. Siddons (Eds.). *From Community Health to Elite Sport: Proceedings of the 3rd Annual Congress of European College of Sport Science*, Liverpool, UK: Centre for Health Care Development. pp. 297.
- Hagger, M. S.**, Chatzisarantis, N. & Biddle, S.J.H. (1998). Why the attitude-intention relationship in a physical activity context may be spurious. Paper presented at the 1998 BASES conference, University College Worcester, UK, September 6, 1998.

1999

- Hagger, M. S.** (1999). Using an expectancy-value paradigm in the measurement of children's physical self-perceptions. In V. Hosek, P. Tilinger & L. Bilek (Eds.). *Proceedings of the 10th European Congress of Sport Psychology*, Prague, Czech Republic: Charles University. pp. 223-225.
- Hagger, M. S.**, Orbell, S., Rappaport, P. & Tidy, J. (1999). Salient, beliefs, referents, barriers and cognitive representations of illness in women attending a colposcopy clinic: Pilot interviews. Paper presented at the 1999 British Psychological Society Division of Health Psychology Conference, University of Leeds, UK, September 1-3, 1999.

2000

- Hagger, M. S.**, Chatzisarantis, N. & Biddle, S.J.H. (2000). Entropic Nature of Attitude-Intention Relationships: II. PBC and Past Behaviour. Paper presented at the 2000 British Psychological Society Annual Conference, Winchester, UK, April 13-16, 2000.
- Hagger, M. S.**, Chatzisarantis, N. & Biddle, S.J.H. (2000). What I did then affects what I do now: A meta-analytic study of the influence of past behaviour on intentions to participate in leisure time exercise. Paper presented at the 2000 Congress of the European College of Sports Science, University of Jyväskylä in Jyväskylä, Finland, July 19-24, 2000.
- Hagger, M. S.**, Chatzisarantis, N. & Biddle, S.J.H. (2000). The influence of autonomous motives and general perceptions of control on physical activity intentions within the Theory of Planned Behaviour. Paper presented at the 2000 British Psychological Society Division of Health Psychology Conference, University of Kent at Canterbury, UK, September 6-8, 2000.
- Hagger, M. S.** & Orbell, S. (2000). A review of the commonsense model of illness representations in health psychology: Measurement issues and prediction of outcomes and coping behaviours. Paper presented at the 2000 British Psychological Society Division of Health Psychology Conference, University of Kent in Canterbury, UK, September 6-8, 2000.
- Hagger, M. S.** & Weed, M.E. (2000). Developing Physical Activity in Children: The Relationship Between PE & Sport. Paper presented at the 2000 Congress of the European College of Sports Science, University of Jyväskylä, Jyväskylä, Finland, July 19-24, 2000.

2001

- Hagger, M. S.**, Chatzisarantis, N. and Biddle, S.J.H. (2001). Studying the influence of attitudes, intentions and past behaviour on leisure time exercise participation – predictive validity using meta analysis. In A. Papaioannou, M. Goudas and Y. Theodorakis (Eds.). *Proceedings of the 10th World Congress of Sports Psychology*, Skiathos, Greece: Christodouldidi Publications.
- Hagger, M. S.** & Orbell, S. (2001). A meta-analytic review of the common sense model of illness representations. Paper presented at the 2001 British Psychological Society Division of Health Psychology/European Health Psychology Association Conference, University of St. Andrews, UK, September 5-8, 2001.

2002

Hagger, M. S. & Orbell, S. (2002). Evidence for the discriminant validity of illness representation dimensions across a number of studies. Paper presented at the 2002 British Psychological Society Division of Health Psychology Conference, University of Sheffield, UK, September 4-6, 2002.

Orbell, S., **Hagger, M. S.** & Tidy, J. (2002). Psychological and social predictors of drop out from treatment and follow-up amongst women with abnormal cervical smear results. Paper presented at the 2002 Cancer Research UK Educational, Behavioural and Psychosocial Researchers' Meeting, St. Hilda's College, University of Oxford, Oxford, UK, September 19-20, 2002.

2003

Chatzisarantis, N. L. D., **Hagger, M. S.**, Biddle, S.J.H. and Sage, L. (2003). The influences of continuation intentions on execution of social behaviour within the theory of planned behaviour. Paper presented at the 11th European Congress of Sport Psychology (FEPSAC), University of Copenhagen, Copenhagen, Denmark, July 22-27, 2003.

Chatzisarantis, N. L. D., **Hagger, M. S.** & Biddle, S.J.H. (2003). The influences of perceived autonomy support on physical activity within the theory of planned behaviour. Paper presented at the 2003 British Psychological Society Division of Health Psychology Conference, Staffordshire University, Stafford, UK, September 3-5, 2003.

Hagger, M. S., Chatzisarantis, N., Culverhouse, T. and Biddle, S.J.H. (2003). The processes by which perceived autonomy support in physical education promotes leisure-time physical activity intentions and behaviour: A trans-contextual model. Paper presented at the 11th European Congress of Sport Psychology (FEPSAC), University of Copenhagen, Copenhagen, Denmark, July 22-27, 2003.

Hagger, M. S. & Orbell, S. (2003). Illness representations and specific emotional responses in women attending for colposcopy following a positive cervical smear test. Paper presented at the 2003 British Psychological Society Division of Health Psychology Conference, Staffordshire University, Stafford, UK, September 3-5, 2003.

Hagger, M. S., Chatzisarantis, N., Culverhouse, T. and Biddle, S.J.H. (2003). Motivating young people to participate in physical activity across different contexts: Implications for physical educators, sports managers and leaders. Paper presented at the 11th European Sport Management Congress, Stockholm, Sweden, September 10-13, 2003.

Hagger, M. S. & Orbell, S. (2003). A review of the self-regulation model. Paper presented at the 2003 European Society of Health Psychology Conference, Kipriotis Conference Centre, Kos, Greece, September 24-27, 2003.

Hagger, M. S., Orbell, S. & O'Sullivan, I. (2003). Comparison of Illness Representations and Specific Emotional Responses in Cancer Screening Patients: Results from Cervical and Colorectal Screening Programmes. Paper presented at the 2003 European Society of Health Psychology Conference, Kipriotis Conference Centre, Kos, Greece, September 24-27, 2003.

Harris, J. & **Hagger, M. S.** (2003). Evaluating the influence of basic psychological needs and the perceived locus of causality in the theory of planned behaviour in an exercise context. Paper presented at the 2003 British Psychological Society Division of Health Psychology Conference, Staffordshire University, Stafford, UK, September 3-5, 2003.

2004

Hagger, M. S. & Armitage, C.J. (2004). The influence of perceived loci of control and causality in the theory of planned behavior in a leisure-time exercise context. Paper presented at the 2004 European Society of Health Psychology Conference, University of Helsinki, Helsinki, Finland, June 21-23, 2004.

Hagger, M. S. & Rentzelas, P. (2004). The influence of perceived loci of control and causality in the theory of planned behavior in a leisure-time exercise context. Paper presented at the 2004 British Psychological Society Social Psychology Section Conference, Liverpool University, Liverpool, September 1-3, 2004.

Hagger, M. S. & Chatzisarantis, N. L. D. (2004). Social physique anxiety and physical self-esteem: Discriminant validity, autoregressive and reciprocal effects, and relations with physical activity behavior. Paper presented at the 2004 Congress of the European College of Sports Science, Clermont Ferrand, France, July 3-6, 2004.

Hagger, M. S., Chatzisarantis, N. L. D., Culverhouse, T., & Biddle, S.J.H. (2004). The processes by which perceived autonomy support in physical education promotes leisure-time physical activity intentions and behavior: A trans-contextual model. Paper presented at the 2004 British Psychological Society Division of Health Psychology Conference, Queen Margaret University College, Edinburgh, UK, September 8-10, 2004.

2005

- Hagger, M. S.**, Chatzisarantis, N. L. D., Griffin, M., & Thatcher, J. (2005). Injury representations, coping, emotions, and functional outcomes in athletes with sport-related injuries: A test of self-regulation theory. Paper presented at the 2005 European Health Psychology Society Conference, National University of Ireland, Galway, Ireland, August 31-September 3, 2005.
- Hagger, M. S.** (2005). Physical self-esteem in exercise and dieting behaviour. Paper presented at the 2005 British Psychological Society Division of Health Psychology Conference, Coventry University, Coventry, UK, September 7-9, 2005.
- Hagger, M. S.** (2005). Meta-analysis in sport and exercise psychology research. Paper presented at the International Society of Sports Psychology XI World Congress of Sport Psychology, Sydney, Australia, August 15-19, 2005.
- Hagger, M. S.** (2005). Cross-cultural issues in physical self-esteem. Paper presented at the International Society of Sports Psychology XI World Congress of Sport Psychology, Sydney, Australia, August 15-19, 2005.
- Hagger, M. S.** (2005). Meta-analysis in sport and exercise psychology research. Paper presented at the 2005 BASES conference, Loughborough University, Loughborough, UK, September 4-7, 2005.

2006

- Hagger, M. S.** (2006). Health psychology. Paper presented at the UEL Challenge and Change Conference 2006, University of East London, London, UK, January 13, 2006.
- Hagger, M. S.** (2006). What do we really know about 'common sense' models of illness?: A closer look at relationships and mechanisms. Paper presented as part of invited symposium: *Advances in illness perception research and practice* at the British Psychological Society Annual Conference 2006, Cardiff, UK, March 30-April 1, 2006.
- Hagger, M. S.** (2006). Can teachers really motivate school children to be active in leisure time? Studying autonomous motivation across contexts. Paper presented as part of invited symposium: *Theories of participation in sport and exercise* at the 2006 Congress of the European College of Sports Science, Lausanne, Switzerland, July 5-8, 2006.
- Hagger, M. S.** (2006). Self-identity and the theory of planned behaviour in health-related and general behavioural contexts: Between- and within-participants analyses. Paper presented at the 2006 British Psychological Society Division of Health Psychology Conference, University of Essex, Colchester, UK, September 13-15, 2006.
- Henderson, C., Orbell, S., & **Hagger, M. S.** (2006). Does the activation of a specific illness schema result in the automatic activation of coping strategies specific for that illness? Paper presented at the 2006 British Psychological Society Division of Health Psychology Conference, University of Essex, Colchester, UK, September 13-15, 2006.
- Rentzelas, P. & **Hagger, M. S.** (2006). Cross-cultural individualist and collectivist group norms and group members evaluations for three different cultures. Paper presented at the 2006 British Psychological Society Division of Social Psychology Conference, University of Birmingham, Edgbaston, Birmingham, UK, September 13-15, 2006.

2007

- Chatzisarantis, N. L. D. & **Hagger, M. S.** (2007). Effects of an intervention based on self determination theory on physical activity participation. Paper presented at the 12th European Congress of Sport Psychology (FEPSAC), University of Thessaly, Halkidiki, Greece, September 4-9, 2007.
- Hagger, M. S.** (2007). Fostering autonomous motivation in physical education and leisure time contexts: A trans-contextual model of motivation. Paper presented at the 3rd International Conference on Self-Determination Theory, York University, Toronto, Ontario, Canada, May 24-27, 2007.

J., Lonsdale, C., Standage, M., Haerens, L., Michie, S., Ryan, R. M. & **Hagger, M. S.** (2016). Identifying self-determination theory-based techniques aimed at promoting autonomy, competence, and relatedness in health contexts. Paper presented at the 6th International Conference on Self-Determination Theory, June 1-3, Victoria BC, Canada.
- Zhang, C. Q., Chung, P. K., Chan, D. K. C., & **Hagger M. S.**, Liu, J.D., Si, G. Wearing facemask to prevent influenza in Hong Kong elderly people: A qualitative investigation. Paper presented at the International Congress of Behavioral Medicine, Melbourne, Australia, December 7-10, 2016.

2017

- Chan, D. K. C., Standage, M., Lonsdale, C., & **Hagger, M. S.** (2017). The trans-contextual model and learning safety in sport. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Chan, D. K.-C., & **Hagger, M. S.** (2017). Implicit doping attitude and awareness of unintentional doping. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Conroy, D., & **Hagger, M. S.** (2017). Imagery interventions in health behaviour: A meta-analysis. Paper presented at the 31st Conference of the European Health Psychology Society: Innovative ideas in Health Psychology, Padova, Italy, August 31-September 2, 2017.
- Hagger, M. S.** (2017). Lessons learned from the ego-depletion replication and suggestions for future research. Paper presented at the 18th General Meeting of the European Association of Social Psychology, Granada, Spain, July 5-8, 2017.
- Hagger, M. S.** (2017). Attitudes and physical activity. Paper presented at the Attitudes Conference, Annenberg Public Policy Center of the University of Pennsylvania, May 17-19, 2017.
- Hagger, M. S.**, & Chatzisarantis, N. L. D. (2017). A pre-registered multi-lab replication of the ego-depletion effect: Implications for the replication "crisis" and health psychology. Paper presented at the 31st Conference of the European Health Psychology Society: Innovative ideas in Health Psychology, Padova, Italy, August 31-September 2, 2017.
- Hagger, M. S.**, & Chatzisarantis, N. L. D. (2017). The trans-contextual model. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Hagger, M. S.**, Koch, S., Chatzisarantis, N. L. D., & Orbell, S. (2017). Meta-analysis of the common sense model of illness self-regulation. Paper presented at the Finnish National Conference on Health Psychology, Helsinki, Finland, October 31-November 1, 2017.
- Hagger, M. S.**, Pang, J., Hardcastle, S. J., & Watts, G. F. (2017). Health literacy in familial hypercholesterolemia patients: A cross-national study. Paper presented at the Cardiovascular Society of Australia and New Zealand Annual Scientific Meeting, Perth, Australia, August 10-13, 2017.
- Hamilton, K., Kirkpatrick, A., Rebar, A., & **Hagger, M. S.** (2017). Child sun safety: Application of an integrated behaviour change model. Paper presented at the Australian Psychological Society College of Health Psychologists/ Australasian Society for Behavioural Health and Medicine (ASBHM) Conference, Surfer's Paradise, Gold Coast, Australia, July 13-15, 2017.

- Hamilton, K., Keech, J., Peden, A., & **Hagger, M. S.** (2017). Investigating the correlates of alcohol use and aquatic injury and drowning: a systematic review. Paper presented at the World Conference on Drowning Prevention, October, 17-19, 2017, Vancouver, Canada.
- Hamilton, K., Peden, A., Keech, J., & **Hagger, M. S.** (2017). Changing people's attitudes and beliefs toward driving through floodwaters: evaluation of a video infographic. Paper presented at the World Conference on Drowning Prevention, October, 17-19, 2017, Vancouver, Canada.
- Hamilton, K., Peden, A., Keech, J., Shelby, P., & **Hagger, M. S.** (2017). To drive or not to drive: understanding people's behavioural decision making in vehicles around floodwater. Paper presented at the World Conference on Drowning Prevention, October, 17-19, 2017, Vancouver, Canada.
- Kamarova, S., Chatzisarantis, N. L. D., Kawabata, M., & **Hagger, M. S.** (2017). School-based intervention programs in promoting leisure-time physical activity: Applying the theory of planned behaviour. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Kwasnicka, D., Vandelanotte, C., Rebar, A., Gardner, B., Short, C., Duncan, M., Crook, D., & **Hagger, M. S.** (2017). Applying motivational, self-regulatory and habit-development techniques in a computer-tailored physical activity intervention in healthcare professionals. Paper presented at the 31st Conference of the European Health Psychology Society: Innovative ideas in Health Psychology, Padova, Italy, August 31-September 2, 2017.
- Kwasnicka, D., Rebar, A., Vandelanotte, C., Short, C., Duncan, M., & **Hagger, M. S.** (2017). Data-prompted interviews exploring the self-regulatory and automatic components of a physical activity intervention for healthcare professionals. Paper presented at the Australian Psychological Society College of Health Psychologists/ Australasian Society for Behavioural Health and Medicine (ASBHM) Conference, Surfer's Paradise, Gold Coast, Australia, July 13-15, 2017.
- Mallia, L., Lucidi, F., Zelli, A., & **Hagger, M. S.** (2017). Predicting moral attitudes and behaviour in young team sport athletes: A self-determination theory perspective. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Polet, J., Lintunen, T., & **Hagger, M. S.** (2017). Meta-analysis and path analysis of the reasoned action approach to understand pa and health behaviour: The effect of past behaviour. Paper presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.

2018

- Brown, D., J., **Hagger, M. S.**, & Hamilton, K. (2018). Exploring a laypersons understanding of health-habit formation: A network diagram approach. Poster presented at the 32nd Conference of the European Health Psychology Society, Galway, Ireland, August 21-25, 2018.
- Brown, D., J., **Hagger, M. S.**, & Hamilton, K. (2018). Testing a three-phase integrated model of health behaviour for binge drinking and dental flossing. Paper presented at the 32nd Conference of the European Health Psychology Society, Galway, Ireland, August 21-25, 2018.
- Chan, D. K. C., Lee, A. S. Y., Standage, M., Lonsdale, C., & **Hagger, M. S.** (2018). Students' motivation and beliefs in sport injury prevention: A qualitative investigation of the trans-contextual model. Paper presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018.
- Galli, F., Lucidi, F., Chirico, A., Mallia, L., & **Hagger, M. S.** (2018). A trans-behavioral model of motivation in academic context. Poster presented at the 32nd Conference of the European Health Psychology Society, Galway, Ireland, August 21-25, 2018.
- Hagger, M. S.** (2018). Health behaviour, health promotion, and the transition to parenthood: Insights from research in health psychology and behaviour change. Paper presented at the International Workshop of the Israel Science Foundation, Pathways and Barriers to the Transition to Parenthood: Existential concerns regarding fertility, pregnancy, and early parenthood, Bar-Ilan University, Tel-Aviv, Israel, March 12-14, 2018.
- Hagger, M. S.** (2018). In favor: Interventions based on behavioural theory work in the real world. Paper presented at the International Society of Behavioural Nutrition and Physical Activity 2018 Annual Meeting, Hong Kong, June 3-6, 2018.
- Hagger, M. S.** (2018). Developing a way to describe psychology theories applied in health behavior research: A process diagram approach. Master lecture presented at the 29th International Congress of Applied Psychology, Palais des congrès, Montréal, Québec, Canada, June 26-30, 2018.

- Hagger, M. S.** (2018). Testing the theory of planned behavior and reasoned action approach: a meta-analytic structural equation modeling approach. Paper lecture presented at the Identifying the Determinants of (Non-)Replicability: The Theory of Planned Behavior meeting, Trier, Germany, October 17-19, 2018.
- Hagger, M. S.**, Hardcastle, S. J., Hu, M., Kwok, S., Lin, J., Nawawi, H. M., Pang, J., Santos, R. D., Soran, H., Su, T.-C., Tomlinson, B., & Watts, G. F. (2018). Health literacy in familial hypercholesterolemia: A cross-national study. Poster presented at the XVIIIth International Symposium on Atherosclerosis, Toronto, Canada, June 9-12, 2018.
- Hagger, M. S.**, & Orbell, S. (2018). Self-regulation in sickness and in health. State-of-the-art presentation presented at the 32nd Conference of the European Health Psychology Society, Galway, Ireland, August 21-25, 2018.
- Hamilton, K., Gibbs, I., Keech, J. J., & **Hagger, M. S.** (2018). Predicting heavy episodic drinking in young Australian university students: a dual process approach. Paper presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018.
- Hamilton, K., Trost, N., Keech, J. J., Chan, D. K. C., & **Hagger, M. S.**, (2018). Predicting sugar consumption: application of an integrated dual process, dual-phase model. Paper presented at the 32nd Conference of the European Health Psychology Society, Galway, Ireland, August 21-25, 2018.
- Hagger, M. S.**, Zhang, C. Q., Protogerou, C., Girelli, L., Mallia, L., & Lucidi, F. (2018). Past behavior and self-reported habit and behavioral automaticity in social cognitive models: meta-analysis and test of a process model. Paper presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018.
- Keech, J. J., **Hagger, M. S.**, Orbell, S., & Hamilton, K. (2018). Development and validation of a new measure of stress mindset: The stress control mindset measure (SCMM). Poster presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018.
- Zhang, C. Q., Schwarzer, R., Zhang, R., & **Hagger, M. S.** (2018). A meta-analysis of the health action process approach and health behaviors. Paper presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018.

2019

- Brown, D., **Hagger, M. S.**, & Hamilton, K. (2019). A qualitative investigation of habit formation in the Australian population. Paper presented at the Australian Psychological Society College of Health Psychologists Annual Conference, April 26-27, 2019, Adelaide, Australia.
- Brown, D., **Hagger, M. S.**, & Hamilton, K. (2019). Understanding the role of counter-intentional habits in children's nutrition behaviors. Paper presented at the Australian Psychological Society College of Health Psychologists Annual Conference, April 26-27, 2019, Adelaide, Australia.
- Chan, D. K. C., Zhang, L., Lee, A. S. Y., Leung, K., & **Hagger, M. S.** (2019). Sport injury prevention and the reciprocal relationships between self-determination theory and the theory of planned behaviour. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Chan, D. K. C., Lee, A. S. Y., Leung, K., Tang, T. C. W., & **Hagger, M. S.** (2019). Swimming and the reciprocal relationships between autonomous motivation and social cognitive variables. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Hagger, M. S.**, Hassandra, M., Laukkanen, A., Polet, J., Hankonen, N., Hirvensalo, M., & Lintunen, T. (2019). Theoretical basis of the PETALS intervention program: The trans-contextual model. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Hagger, M. S.** & Weed, M. (2019). Do interventions based on behavioral theory work in the real world?. Panel discussion presented at the 40th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, April 6-9, 2019, Washington DC, USA.
- Hamilton, K., Demant, D., Peden, A. E., & **Hagger, M. S.** (2019). A systematic review of human behaviour in and around floodwater. Paper presented at the 40th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, April 6-9, 2019, Washington DC, USA.
- Hamilton, K., Brown, D., & **Hagger, M. S.** (2019). Testing an integrated model of nutrition behavior in a sample of Australian children. Paper presented at the 40th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, April 6-9, 2019, Washington DC, USA.

- Hassandra, M., Laukkanen, A., Lintunen, T., Polet, J., Hankonen, N., Hirvensalo, M., & **Hagger, M. S.** (2019). Description of the development of the autonomy-supportive PE teacher training program (PETALS). Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Keech, J., **Hagger, M. S.**, O'Callaghan, F. V., & Hamilton, K. (2019). The impact of stress mindsets on physical and psychological wellbeing: Testing a stress health beliefs model in police officers using a Bayesian path analysis. Paper presented at the Australian Psychological Society College of Health Psychologists Annual Conference, April 26-27, 2019, Adelaide, Australia.
- Keech, J., **Hagger, M. S.**, O'Callaghan, F. V., & Hamilton, K. (2019). Examining the buffering effect of stress mindsets on the relationship between self-regulatory styles, health behaviours, and psychological health. Paper presented at the Australian Psychological Society College of Health Psychologists Annual Conference, April 26-27, 2019, Adelaide, Australia.
- Laukkanen, A., Hassandra, M., Polet, J., Kaaja, E., Rantalainen, M., **Hagger, M. S.**, & Lintunen, T. (2019). Implementation of the PETALS intervention teacher training program. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Lintunen, T., Hassandra, M., Laukkanen, A., Polet, J., Hankonen, N., Hirvensalo, M., & **Hagger, M. S.** (2019). Acceptability of the PETALS PE teacher training programme to promote autonomous motivation toward physical activity. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Phipps, D., **Hagger, M. S.**, & Hamilton, K. (2019). A meta-analysis of implicit and explicit attitudes in children and adolescents. Paper presented at the Australian Psychological Society College of Health Psychologists Annual Conference, April 26-27, 2019, Adelaide, Australia.
- Polet, J., **Hagger, M. S.**, Lintunen, T., & Hansen, M. (2019). Predicting change in out-of-school physical activity using the trans-contextual model. Paper to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.

CONFERENCE SYMPOSIA

- Biddle, S. J. H., **Hagger, M. S.**, Schwarzer, R. & Luszczynska, A. (2016). Challenges and future directions in research on determinants of physical activity. Symposium presented at the International Congress of Behavioral Medicine, Melbourne, Australia, December 7-10, 2016. Participants: Stuart J. H. Biddle (Victoria University, Australia), Martin S. Hagger (Curtin University, Australia), Ralf Schwarzer (Australian Catholic University, Australia) and Luszczynska, A. (University of Colorado, Colorado Springs, USA).
- Cabral, P., La Greca, A. M., Baker, A. C., Wallander, J. & **Hagger, M. S.** (2016). Relationships and health across adolescence: Insights from longitudinal research. Symposium presented at the International Congress of Behavioral Medicine, Melbourne, Australia, December 7-10, 2016. Participants: Annette La Greca (University of Miami, USA), Patricia Cabral (University of California, Merced, USA), Ashley C. Baker (University of California, Merced, USA), Jan Wallander (University of California, Merced, USA), and Martin S. Hagger (Curtin University, Australia). Discussant: Martin S. Hagger (Curtin University, Australia).
- Chan, D. K. C., & **Hagger, M. S.** (2017). The premises, evidence, and application of the Trans-Contextual Model in multiple physical activity and health contexts. Symposium presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Crutzen, R., Peters, G.-J. Y., **Hagger, M. S.**, Heino, M., & Johnston, M. (2017). The replication crisis in (health) psychology: reflections and solutions. Symposium presented at the 31st Conference of the European Health Psychology Society: Innovative ideas in Health Psychology, Padova, Italy, August 31-September 2, 2017.
- Hagger, M. S.** (1999). Advances in physical self-perception research: Theory development and diverse applications. Symposium presented at the 10th European Congress of Sport Psychology (FEPSAC), Prague, Czech Republic: Charles University. Participants: Chow, E.W. (University of Loughborough), I. Tomas (University of Valencia), Georgiadis, M. (University of Loughborough), Fox, K. (University of Exeter).
- Hagger, M. S.** (2003). Promoting and enhancing physical activity in young people: Motivational and educational issues. Symposium presented at the 11th European Congress of Sport Psychology (FEPSAC), University of Copenhagen, Copenhagen, Denmark, July 22-27, 2003. Participants: Chatzisarantis, N. (Brunel University), Lindwall, M. (Stockholm University), Weed, M. (University of Loughborough).

- Hagger, M. S.** (2003). Advances in illness representation research: Theory development and diverse applications. Symposium presented at the 2003 British Psychological Society Division of Health Psychology Conference, Staffordshire University, Stafford, UK, September 3-5, 2003. Participants: Horne, R., (University of Brighton), O'Sullivan, I. (University of Essex), Norman, P. (University of Sheffield), Rees, G. (University of Stirling) and Weinman, J. (King's College London).
- Hagger, M. S.** (2003). International research on the self-regulation model in health and illness I: Recent theoretical advances. Symposium presented at the 2003 European Society of Health Psychology Conference, Kipriotis Conference Centre, Kos, Greece, September 24-27, 2003. Participants: Horne, R., (University of Brighton), Moss-Morris, R. (University of Auckland), Heijmans, M. (Netherlands Institute of Health Services Research), Orbell, S. (University of Essex) and Weinman, J. (King's College London).
- Hagger, M. S.** (2003). International research on the self-regulation model in health and illness I: Advanced applications of the self-regulation model to clinical populations. Symposium presented at the 2003 European Society of Health Psychology Conference, Kipriotis Conference Centre, Kos, Greece, September 24-27, 2003. Participants: (Leiden University Medical Centre), Mitchell, N. (University of Sheffield), Rutter, C. (King's College London), Scharloo, M. (Leiden University Medical Centre) and Weinman, J. (King's College London).
- Hagger, M. S.** (2006). Advances in illness perceptions research and practice. Symposium presented at the British Psychological Society Annual Conference, Cardiff, March 31 – April 1, 2006. Participants: Howard Leventhal (Rutgers the State University of New Jersey, USA), John Weinman (King's College, London, UK), Rob Horne (University of Brighton, UK), and Martin S. Hagger (University of Nottingham, UK).
- Hagger, M. S.** (2006). What can self-determination theory contribute to understanding motivation in sport and exercise? Symposium presented at the British Psychological Society Division of Sport and Exercise Psychology Inaugural Conference 2008, BPS Offices, London, UK, December 11-12, 2008. Participants: Nikos L. D. Chatzisarantis (Plymouth University, UK), Martyn Standage (University of Bath, UK), Nikos Ntoumanis (National Institute of Education, Singapore), and Martin S. Hagger (University of Nottingham, UK).
- Hagger, M. S.** (2006). Individual differences and social processes in health-related outcomes and behaviour. Symposium presented at the Joint European Health Psychology Society and British Psychological Society Division of Health Psychology Annual Conference 2008, University of Bath, Bath, UK, September 9-11, 2008. Participants: Peter Bibby (University of Nottingham, UK), Nikos L. D. Chatzisarantis (National Institute of Education, Singapore), Claire Lawrence (University of Nottingham, UK), Eamonn Ferguson (University of Nottingham, UK), Sarah McLachlan (University of Nottingham, UK), and Martin S. Hagger (University of Nottingham, UK).
- Hagger, M. S.** (2009). Intrinsic motivation and self-determination in health and well-being. Symposium presented at the British Psychological Annual Conference, Brighton, UK, April 1-3, 2009. Participants: Nikos Ntoumanis (University of Birmingham, UK), Martyn Standage (University of Bath, UK), Maarten Vansteenkiste (Katholieke Universiteit Leuven, Belgium), Martin S. Hagger (University of Nottingham, UK), Discussant: Richard Ryan (University of Rochester, USA).
- Hagger, M. S.** (2009). Theoretical integration in health psychology: Unifying ideas and complimentary explanations. Symposium presented at the 23rd Annual Conference of the European Health Psychology Society 2009, Pisa, Italy, September 23-26, 2009. Participants: Nikos Ntoumanis (University of Birmingham, UK), Christopher J. Armitage (University of Sheffield, UK), Jana M. Richert (Freie Universität Berlin, Germany), Martin S. Hagger (University of Nottingham, UK), Discussant: Falko F. Sniehotta (University of Aberdeen, UK).
- Hagger, M. S.** (2010). Developing and integrating knowledge in the social sciences of sport & exercise: Interrogating 'normal science'. Symposium presented at the 15th Annual Congress of European College of Sport Science, Antalya, Turkey, July 23-27, 2010. Participants: Jenny Page (University of Chichester, UK), Mike Weed (Canterbury Christ Church University, UK), Martin S. Hagger (University of Nottingham, UK).
- Hagger, M. S.** (2010). Theory-based interventions to promote physical activity in young people. Symposium presented at the III International Conference of Physical Education and Sports Science (ICPESS 2010), National Institute of Education, Singapore, May 25-28, 2010. Participants: Stuart J. H. Biddle (Loughborough University, UK), Nikos L. D. Chatzisarantis (National Institute of Education, Singapore), John C. K. Wang (National Institute of Education, Singapore), Martin S. Hagger (University of Nottingham, UK). Discussant: Richard M. Ryan (Rochester University, USA).
- Hagger, M. S.** (2014). The value of using laboratory and field research to better understand mechanisms in health behaviour. Symposium presented at the 28th International Congress of Applied Psychology (ICAP), Paris, France, July 8-13, 2014. Participants: Rik Crtutzen (Maastricht University, the Netherlands), Greg Descamps (University of Bordeaux, France), Sonia Lippke (Jacobs University, Germany) and Martin S. Hagger (Curtin University, Australia). Discussant: Blair T. Johnson (University of Connecticut, USA).

- Hagger, M. S.** (2014). Back to basics, forward to application: A continuum of knowledge generation in behavioural medicine. Symposium presented at the 13th International Congress of Behavioral Medicine, Groningen, the Netherlands, August 20-23, 2014. Participants: Nikos L. D. Chazisantis (Curtin University, Australia), Barbara Mullan (Curtin University, Australia), Mike Weed (Canterbury Christ Church University, UK), and Martin S. Hagger (Curtin University, Australia).
- Hagger, M. S.** & Chan, D. K. C. (2016). Integrated theory-informed research as a means to develop an evidence base for the development of effective health behaviour-change interventions. Symposium presented at the 31st International Congress of Psychology, Yokohama, Japan, July 24-29, 2016. Participants: Derwin K. C. .
- Hagger, M. S.**, Chan, D. K. C., & Weed, M. E. (2018). Debate symposium: Interventions based on behavioural theory work in the real world. Symposium presented at the International Society of Behavioural Nutrition and Physical Activity 2018 Annual Meeting, June 3-6, 2018. Participants: Martin S. Hagger (Curtin University, Australia and University of Jyväskylä, Finland), Mike Weed (Canterbury Christ Church University, UK), Derwin K. C. Chan (University of Hong Kong, Hong Kong).
- Hamilton, K., (Chair) & **Hagger, M. S.** (Discussant) (2018). Applications of integrated social cognitive theories in predicting and changing health behavior. Paper presented at the Society of Behavioural Medicine Annual Meeting, New Orleans, USA, April 11-14, 2018. Participants: Derwin K. C. Chan (University of Hong Kong, Hong Kong), Chun-Qing Zhang (Hong Kong Baptist University, Hong Kong), Kyra Hamilton (Griffith University, Australia), Ryan Rhodes (University of Victoria, Canada), & Martin S. Hagger (Curtin University, Australia and University of Jyväskylä, Finland).
- Ioanna, C., Coyne, J., Ozakinci, G. & **Hagger, M. S.** (2013). Improving the credibility of health psychology intervention research: problems and solutions. Symposium presented at the 27th Annual Conference of the European Health Psychology Society 2013, Bordeaux, France, July 16-20, 2013. Participants: Ioanna Cristea (Babeş-Bolyai University, Romania), James C. Coyne, (University of Pennsylvania, USA), Gozde Ozakinci (University of St. Andrews, UK), Martin S. Hagger (Curtin University, Australia).
- Kroese, F., de Wit, J. B. F. & **Hagger, M. S.** (2015). Alternative views on how self-control shapes health behavior. Symposium presented at the 29th Annual Conference of the European Health Psychology Society 2015, Limassol, Cyprus, September 1-5, 2015. Participants: Tracy Cheung (Utrecht University, the Netherlands), Marlene Gillebaart (Utrecht University, the Netherlands), Flor Kroese (Utrecht University, the Netherlands), John B. F. de Wit (University of New South Wales, Australia): Discussant: Martin S. Hagger (Curtin University, Australia).
- Lintunen, T., & **Hagger, M. S.** (2017). The increasing motivation for physical activity (IMPAct) Project: Theory development and intervention strategies. Symposium presented at the International Society of Sport Psychology 14th World Congress 2017, Sevilla, Spain, July 10-14, 2017.
- Lintunen, T., Hassandra, M., Laukkanen, A., Polet, J., & **Hagger, M. S.** (2019). Basis, design, development and acceptability of the physical education teacher autonomy support training to promote leisure-time physical activity in students (PETALS) intervention. Symposium to be presented at the 15th European Congress of Sport & Exercise Psychology, July 15-20, 2019, Muenster, Germany.
- Zerhouni, O., & **Hagger, M. S.** (2017). Ego-depletion: Where do we go from here? Symposium presented at the 18th General Meeting of the European Association of Social Psychology, Granada, Spain, July 5-8, 2017. Participants: Karolin Gieseler (University of Saarland, Germany), Marleen Gillebaart (Utrecht University, the Netherlands), Martin S. Hagger (Curtin University, Australia and University of Jyväskylä, Finland), Oulmann Zerhouni (University of Paris, West, France).

PUBLIC ENGAGEMENT ACTIVITIES

- Hagger, M. S.** (September 15, 2011). The cost of alcohol: The advocacy for a minimum price per unit of alcohol in the UK. Invited presentation to the British Science Association Festival, Science Media Centre, Bradford, UK.
- Hagger, M. S.** (September 16, 2011). The cost of alcohol: The advocacy for a minimum price per unit of alcohol in the UK. Invited presentation at the Alcohol Research UK Launch Event, Royal Society of Arts, London, UK.
- Hagger, M. S.** (November 22, 2013). The science of health behaviour. Inaugural speech at the Health Psychology and Behavioural Medicine (HPBM) Research Group Launch and Networking Meeting, Hyatt Regency, Perth, Australia.

Hagger, M. S. (October 29, 2014). Developments on people's beliefs about minimum pricing for alcohol and causes of binge drinking. Invited presentation to the Behavioural Research in Alcohol Breakfast Networking Meeting, Matilda Bay, Perth, Australia.

INVITED RESEARCH SEMINARS/PRESENTATIONS

2001

Hagger, M. S. (2001, September 25). Illness cognitions in health related research: A meta-analysis of the common sense model and relationships with coping and outcome behaviours. Invited presentation to Psychology Unit, Thomas Guys House, Guy's Hospital, London, UK.

Hagger, M. S. (2001, October 25). A meta-analytical review of the self-regulation model of illness representations. Invited presentation to Department of Psychology, Keynes College, University of Kent at Canterbury, Canterbury, UK.

2002

Hagger, M. S. (2002, May 29). I'd rather be watching TV: Analysing children's decision-making in a physical activity context. Invited presentation to Department of Sports Sciences, St. Mary's University College, Waldegrave Road, Twickenham, UK.

Hagger, M. S. & Orbell, S. (2002, October 31). A meta-analytic review of the common sense model of illness representations. Invited presentation as part of the Department of Psychology Internal Research Seminar Series, University of Essex, Colchester, UK.

2003

Hagger, M. S. (2003, February 27). Young people's decisions regarding their leisure-time physical activity behaviour: Results of a (reasoned) research programme. Invited presentation to Health Behaviour Unit, University College London, London, UK.

Hagger, M. S. (2003, October 23). How people cope with illness: Cognitive representations and self-regulation. Invited presentation to the Department of Psychology, University of Hull, Hull, UK.

Hagger, M. S. (2002, October 31). 'The best laid plans': Results of a (reasoned) research programme into the psychological influences on physical activity. Invited presentation to the Sport and Exercise Psychology Group, Department of Biological Sciences, University of Essex, Colchester, UK.

2004

Hagger, M. S. (2004, 14th April). Promoting self-esteem in young athletes. Invited presentation at the BPS Sport and Exercise Psychology Division Satellite Workshop "Psychology of Sports Coaching", Imperial College, London.

Hagger, M. S. & Rentzelas, P. (2004, November 10). When it's all right to go your own way": Cross-cultural differences in the evaluation of group members behaviour and the importance of norms group. Invited presentation as part of the Department of Psychology Internal Research Seminar Series, University of Essex, Colchester, UK.

2005

Hagger, M. S. (2005, April 29). The importance of social psychology to health psychology. Invited presentation to the British Academy Health Psychology Workshop, University Miguel Hernandez, Alicante, Spain.

2006

Hagger, M. S. (2006, February 24). Self-regulation and physical activity in young people. Invited presentation to Department of Psychology, Glasgow Caledonian University, Glasgow, Scotland, UK.

Hagger, M. S. (2006, October 18). An integrated approach to self-regulation and health behaviour across contexts: The trans contextual model of motivation. Invited presentation to the College of Life and Natural Sciences, Psychology, University of Derby, Derby, UK.

2007

Hagger, M. S. (2007, February 7). An integrated approach to self-regulation and health behaviour across contexts: The trans contextual model of motivation. Invited presentation to Department of Sport and Exercise Sciences, University of Sunderland, Sunderland, UK.

Hagger, M. S. (2007, February 15). An integrated approach to self-regulation and physical activity behaviour across contexts: The trans contextual model of motivation. Invited presentation to School of Sport and Health Sciences, Loughborough University, Loughborough, UK.

Hagger, M. S. (2007, March 9). An integrated approach to self-regulation and health behaviour across contexts: The trans contextual model of motivation. Invited presentation to School of Sport, Exercise and Rehabilitation Sciences, University of Birmingham, Birmingham, UK.

Hagger, M. S. (2007, May 10). An integrated approach to self-regulation and health behaviour across contexts: The trans contextual model of motivation. Invited presentation to Faculty of Sport Sciences and Physical Education, Coimbra University, Coimbra, Portugal.

Hagger, M. S. (2007, October 17). An integrated approach to self-regulation and health behaviour across contexts: The trans contextual model of motivation. Invited presentation to the Health Lifestyle Interventions Research Centre, Coventry University, Coventry, UK.

2009

Hagger, M. S. (2009, January 22). "Less is more, more or less" Theoretical integration in health psychology: Eliminating redundancy and complimentary explanations. Invited presentation to the School of Psychology, Staffordshire University, Stafford, UK.

Hagger, M. S., Stiff, C., Wood, C. & Chatzisarantis, N. L. D. (2009, February 17). The nature of ego-energy: Effects of choice on self-control. Invited presentation as part of the School of Psychology Internal Research Seminar Series, University of Nottingham, Nottingham, UK.

Hagger, M. S. (2009, February 19). "Less is more, more or less" Theoretical integration in health psychology: Eliminating redundancy and complimentary explanations. Invited presentation to the Department of Psychology, University of Roehampton, London, UK.

2010

Hagger, M. S. (2010, October 13). "Less is more, more or less" Theoretical integration in health psychology: Implications for physical activity and exercise. Invited presentation to the School of Sport Science, Exercise and Health, University of Western Australia, Western Australia.

Hagger, M. S. (2010, November 3). "Less is more, more or less" Theoretical integration in health psychology: Implications for physical activity and exercise. Invited presentation to the School of Sport and Exercise Sciences, Northumbria University, Newcastle-upon-Tyne, UK.

Hagger, M. S., Stiff, C., Wood, C. & Chatzisarantis, N. L. D. (2010, November 9). Ego-depletion and self-control: A meta-analysis. Invited presentation to the Faculty of Science, School of Life Sciences, the Open University, Milton Keynes, UK.

Hagger, M. S. (2010, December 6). Changing behaviour: Self-control and self-regulation. Invited presentation to the Psychology and the Digital Economy, Horizon Digital Economy Research, Jubilee Campus, University of Nottingham, Nottingham, UK.

2011

Hagger, M. S. (2011, April 1). "Less is more, more or less" Theoretical integration in health psychology: Implications for physical activity and exercise. Invited presentation to the Department of Sport and Exercise Sciences, University of Chichester, Chichester, UK.

2012

Hagger, M. S. (2012, March 27). Motivating children in and out of school: Research findings and practical implications. Invited presentation to the Motivation in Educational Research (MERL) Annual Seminar 2012, National Institute of Education, Singapore.

- Hagger, M. S.** (2012, April 11). Self-control resource depletion: Research on mechanisms and applications in health and social psychology. Invited presentation to the SHARP research lab, Department of Psychology, University of Connecticut, Storrs, Connecticut USA.
- Hagger, M. S.** (2012, April 19). Self-control resource depletion: Research on mechanisms and applications in health psychology. Invited presentation to the School of Sport and Service Management, Chelsea School, University of Brighton, Eastbourne, UK.
- Hagger, M. S.** (2012, August 16). The mental games: Inside the mind of an Olympic athlete. Public even organized by Curtin University for National Science Week 2012, Curtin University, Perth, Western Australia.
- Hagger, M. S.** (2012, October 4). Self-control resource depletion: Research on mechanisms and applications in health and social psychology. Invited presentation to the School of Psychology, University of Sydney, Sydney, New South Wales, Australia.

2013

- Hagger, M. S.** (2013, January 31). Self-control resource depletion: Research on mechanisms and applications in health psychology. Invited presentation to the Graylands Neuroscience Unit, Department of Health, Perth, Western Australia.
- Hagger, M. S.** (2013, March 17). Willpower, self-control, and health behaviour. Invited presentation to the School of Applied Psychology, Griffith University, Mt. Gravatt, Brisbane, Queensland, Australia.
- Hagger, M. S.** (2013, December 1). ARC grant writing: Best practice and tips for a winning project. Invited presentation to the School of Biomedical Sciences Research Retreat, Curtin University, Como, Perth, Western Australia.

2014

- Hagger, M. S.** (2014, March 3). Implicit and explicit influences on health behaviour. Invited presentation to the Faculty of Health Sciences and Medicine, Bond University, Robina, Queensland, Australia.
- Hagger, M. S.** (2014, March 20). Willpower, self-control, ego-depletion, and health. Invited presentation to the School of Psychology, Queensland University of Technology, Brisbane, Queensland, Australia.
- Hagger, M. S.** (2014, March 21). Willpower, self-control, and ego-depletion: Mechanisms, processes and outcomes. Invited presentation to the School of Psychology, University of Queensland, Brisbane, Queensland, Australia.
- Hagger, M. S.** (2014, March 12). Self-regulation, self-control, motivation, and health behaviour: from theory to intervention. Invited presentation as part of the Faculty of Health Sciences Professorial Research Seminar Series, Curtin University, Perth, Western Australia.
- Hagger, M. S.** (2014, April 17). Beliefs and perceptions of the introduction of plain packaging for cigarettes in Australia: Preliminary results. Invited presentation as part of the School of Psychology and Speech Pathology Internal Research Seminar Series, Curtin University, Perth, Western Australia.
- Hagger, M. S.** (2014, September 12). Self-control and self-regulation in exercise and physical activity: Processes and applications. Invited presentation to the School of Human, Health, and Social Sciences, Central Queensland University, Rockhampton, Queensland, Australia.
- Hagger, M. S.** (2014, October 10). Self-control resource depletion: Research on mechanisms and applications in health psychology. Invited presentation as part of the School of Psychology and Speech Pathology Internal Research Seminar Series, Curtin University, Perth, Western Australia.
- Hagger, M. S.** (2014, November 20). Implicit and explicit influences on health behaviour. Invited presentation to the Laboratoire Sport et Environnement Social, University of Grenoble, Grenoble, France.
- Hagger, M. S.** (2014, November 25). From intentions to behaviour: Converting good intentions into action. Invited presentation to the Laboratoire Interuniversitaire de Psychologie, University of Grenoble, Université Pierre Mendès, Grenoble, France.
- Hagger, M. S.** (2014, November 28). Theory based Interventions in health behaviour. Invited presentation to the Laboratoire Interuniversitaire de Psychologie, University of Grenoble, Université Pierre Mendès, Grenoble, France.

Hagger, M. S. (2014, December 1). Self-control and health behaviour: From theory to intervention. Invited presentation to the Department of Psychology, University of Lyon, Lyon, France.

Hagger, M. S. (2014, December 9). Self-control and ego-depletion: Predictions, processes and behaviour. Invited presentation to the University of Zürich, Psychologisches Institut, Angewandte Psychologie: Life-Management, Zurich, Switzerland.

Hagger, M. S. (2014, December 10). Meta-analysis workshop. Workshop at the University of Zürich, Psychologisches Institut, Angewandte Psychologie: Life-Management, Zurich, Switzerland.

2015

Hagger, M. S. (2015, March 18). Motivation and learning climate in physical education: Motivational theory and cross-cultural issues. Invited presentation to the Faculty of Psychology and Health, University of Malaysia Sabah, Kota Kinabalu, Sabah, Malaysia.

Hagger, M. S. (2015, June 8). Self-control and ego-depletion: Predictions, models, processes and behaviour. Invited presentation to the Self-Regulation Laboratory, Department of Psychology, Utrecht University, Utrecht, the Netherlands.

Hagger, M. S. (2015, June 9). Using motivation and planning together to change health behaviour. Invited presentation to Public Health Conference, Utrecht University, Utrecht, the Netherlands.

Hagger, M. S. (2015, September 18). Theoretical integration and application of psychosocial theories in sport, exercise and health contexts. Invited presentation to the Department of Health and Physical Education, Education University of Hong Kong, Hong Kong.

Hagger, M. S. (2015, September 19). Tips on how to do a systematic review and meta-analysis study and tips on how to write and publish at top journals in psychology. Workshop presented to the Department of Health and Physical Education, Education University of Hong Kong, Hong Kong.

Hagger, M. S. (2015, September 22). Self-control and self-regulation in the fields of sport, exercise, and health psychology. Public seminar presented at the Education University of Hong Kong, Hong Kong.

Hagger, M. S. (2015, October 21). APS workshop on scientific writing. Workshop presented to the Australian Psychological Society Queensland Branch, College of Health Psychologists Training Event, Griffith University, Brisbane, Australia.

Hagger, M. S. (2015, November 12). Behavioural solutions to health problems-Curtin's health psychology and behavioural medicine research group. Invited presentation to the Curtin-St John of God Subiaco Hospital Research Retreat, Perth, Western Australia.

2016

Hagger, M. S. (2016, May 17). Predicting health behaviour and facilitating health behaviour change using integrated theoretical models. Invited presentation to the Department of Psychology, University of Perugia, Perugia, Italy.

Hagger, M. S. (2016, June 28). Theoretical integration in health and social psychology. Invited presentation to the Department of Psychology and Social Science, University of Rome "La Sapienza", Rome, Italy.

Hagger, M. S. (2016, June 29). Promoting physical activity in young people: Using theories of motivation to inform practice. Invited presentation to the Department of Sport Science, University of Verona, Verona, Italy.

Hagger, M. S. (2016, August 3). Is the ego-depletion effect real? Lessons from a multi-lab registered replication report. Invited presentation to the School of Psychology, University of Exeter, Exeter, UK.

Hagger, M. S. & Smith, J. (2016, August 1-13). Using theory to inform behaviour change interventions. Invited Workstream for the European Association of Social Psychology Summer School, School of Psychology, University of Exeter, Exeter, UK.

Hagger, M. S. (2016, September 2). Self-determination theory and in health behaviour: Controversies and solutions. Invited presentation to the Finnish Network of Self-Determination Theory, University of Helsinki, Helsinki, Finland.

2017

- Hagger, M. S.** (2017, March 16). Using theories from psychology and behavioral science to inform the development of effective interventions to promote health behavior change. Invited presentation to the Departments of Psychological Sciences and Public Health, University of California, Merced, USA.
- Hagger, M. S.** (2017, March 24). Using theories from psychology and behavioral science to inform the development of effective interventions to promote health behavior change. Invited presentation to the School of Public Health, University of Hong Kong, Hong Kong.
- Hagger, M. S.** (2017, March 30). Applying psychosocial theories in health and educational contexts. Invited symposium in the Department of Physical Education, Hong Kong Baptist University, Hong Kong.
- Hagger, M. S.** (2017, April 20). How theories from psychology and behavioural science can inform the development of effective interventions to promote health behaviour: Application of an integrated model of behavior change. Invited presentation to the Faculty of Social Sciences, Hong Kong Baptist University, Hong Kong.
- Hagger, M. S.** (2017, April 25). The multi-lab replication of the ego-depletion effect: Summary, impact and implications for the replication “crisis”. Invited presentation to the Department of Psychology, University of Hong Kong, Hong Kong.
- Hagger, M. S.** (2017, June 5). Using psychological theory to inform the development of effective behavioural interventions to promote behaviour change in health contexts. Invited presentation to the Department of Psychology, Education University of Hong Kong, Hong Kong.
- Hagger, M. S.** (2017, October 15). Ego-depletion: Replicability and mechanisms. Invited presentation to the Department of Psychology, Lund University, Lund, Sweden.
- Hagger, M. S.** (2017, November 21). The ego-depletion effect: Results and implications of a multi-lab pre-registered replication. Invited presentation to the Department of Psychology, University of Essex, Colchester, UK.
- Hagger, M. S.** (2017, November 27). Ego-depletion: Updates on replication and mechanisms, and implications for health behaviour. Invited presentation to the School of Social Sciences, Birmingham City University, Birmingham, UK.
- Hagger, M. S. & Chan, D. K. C.** (2017, November 28). Promoting physical activity more effectively: Theory and interventions. Invited presentation to the School of Sport, Exercise and Health Sciences, Loughborough University, Loughborough, UK.
- Hagger, M. S.** (2017, November 29). Developing effective theory-based interventions to promote behaviour change in health contexts: An integrated approach. Invited presentation to the Faculty of Medicine & Health Sciences, University of Nottingham, Nottingham, UK.
- Hagger, M. S.** (2017, November 30). Using psychological theory to inform the development of effective behavioural interventions to promote behaviour change in health contexts. Invited presentation to the Division of Psychology, School of Life Sciences and Education, Staffordshire University, Stoke-on-Trent, UK.

2018

- Hagger, M. S.** (2018, February 20). Using psychological theory to promote health behaviour change. Invited presentation to the Physically Active and Lifestyles (PALS) Research Group, University of Southern Queensland, Springfield Campus, Springfield, QLD, Australia.
- Hagger, M. S.** (2018, February 22). Ego-depletion and self-control: Replication, mechanisms, and implications for health behaviour. Invited presentation as part of the USQ ‘Research Giants’ seminar series, University of Southern Queensland, Toowoomba Campus, Toowoomba, QLD, Australia.
- Hagger, M. S.** (2018, March 15). The Importance of self-control in determining behaviour: Theory, mechanisms and implications for practice. Invited presentation at Bar-Ilan University, Tel-Aviv, Israel.
- Hagger, M. S.** (2018, April 6). APS workshop on changing health behaviour using imagery and mental simulations. Workshop presented to the Australian Psychological Society Queensland Branch, College of Health Psychologists Training Event, Griffith University, Brisbane, Australia.

2019

- Hagger, M. S.** (2019, April 17). APS workshop on scientific writing and publishing. Workshop presented to the Australian Psychological Society, College of Health Psychologists, Griffith University, Brisbane, Australia.

Hagger, M. S. (2019, April 24). APS workshop on scientific writing and publishing. Workshop presented to the Australian Psychological Society, College of Health Psychologists, University of Adelaide, Adelaide, Australia.
