The Health Sciences Research Institute brings you three campus loop walking routes to stimulate discussion, promote outdoor exercise, and enable physically-distanced meetings as we emerge from the COVID-19 pandemic.

HSRI reminds you to:

**H** Hydrate
*Bring a water bottle!*

**S** Sunscreen
*And don’t forget to wear a hat!*

**R** Respect
*Walk to the pace of the slowest in your group and remember not everyone has the same level of ability*

**I** Innovate
*Enjoy your walking meeting and get creative!*

**Route 1: “The 2020 20”**
A 20-minute walk around the original and 2020 Project campus cores

**Route 2: “The Half Hour”**
Extending The 2020 20 through the recreation and wellness areas to create a 30-minute route

**Route 3: “Life, the Universe and Everything”**
A 42-minute walk that builds on Route 2, taking you off campus to the Lake Yosemite footbridge
